

# WOMEN'S SCHOLARSHIP OPPORTUNITY

## Have you ever dreamed of becoming a Lineman?

The industry is in need of skilled workers. A career as a lineman comes with IBEW union representation, exceptional pay, and top-notch benefits!

## If you are ready to start a path towards becoming a lineman, here's how!

NECA will cover tuition and enrollment fees for NW Line JATC's VOLTA program. The remainder of the scholarship funds can be used toward tools, housing, or other expenses. This scholarship will be offered yearly to at least one applicant. Non-selected applicants will be automatically reviewed for other scholarship opportunities through NW Line JATC.

In just ten weeks, you will learn important skills that will help you excel throughout your career within the outside electrical industry!

The scholarship includes up to \$15,000 and can cover:

1

Full Tuition  
(\$8,500)

2

Tools for Training  
and Supplies  
(\$3,000)

3

Housing/Meals/Fuel  
(\$3,500)

## Eligibility Requirements

- This scholarship is for WOMEN only.
- Proof of identity will be required.
- You must live within the NW Line Four Local Agreement Area (Washington, Oregon, 10 counties in Idaho, and 3 northern counties in California).
- You must complete a 500-word essay. Prompt information can be found on our website.
- You must be able to meet the regular application requirements for VOLTA Line School. Please review these under "How to Apply," on our website.

Fall 2023 Award Winner

## HOW TO APPLY

- Go to [nwlinejatc.com](http://nwlinejatc.com) or scan QR code.
- Then click on the VOLTA program.
- On the VOLTA resources page, you will find a document titled "VOLTA Women's Scholarship." this details your essay prompt.
- All submissions must be sent to [nwline@nwlinejatc.com](mailto:nwline@nwlinejatc.com).
- This is offered every year for at least one applicant.
